About this document

This document contains information about issues that were encountered during deliveries of this course. These issues will be addressed in subsequent updates of the material.

You should review this document before the start of class, and use this list as the first point of reference if issues arise.

All course corrections documents can be downloaded by going to the course page on the IBM Cloud Education Wiki. To find the wiki page for your course, go to http://ibm.biz/CloudEduCourses, click the product category to open the course listing for that category, and look for your course in the list.

Exercises Guide items

New license keys have been loaded onto the VMware images.

In section 1.1.2, step 10, page 1 – 11, and section 1.3.2, step 10, on page 1-42, you will be asked to apply the Aspera License Key. The screen capture in the book will show a different license key file than what is currently on the VMware image as the original key files expired and have been replaced.

Follow the instructions in the Exercise book and use the License key file on each of the VMware image Desktops.

Console Server Licenses

aspera.Console.74781.license   aspera.Console.74780.license
